Each 18-hole golf is recognized by the PGA and various other federations and were conceived to host International golf tournaments. In this respect, since December 2009, the Legends and the Links golf courses has been hosting one of the tournament on the European Senior Tour calendar, namely, the MCB Tour Championship.

'The Legend', the first of its kind in Mauritius, designed by South African champion, Hugh Baiocchi, is the crowning achievement of Constance Belle Mare Plage, located along one of the most superb beaches on the island.

The second Constance Belle Mare Plage Championship Golf Course, 'The Links', opened in November 2002 was designed by Rodney Wright and Peter Allis. This 18-hole golf course was conceived as a result of the success and demands encountered by Hotels Constance's first course.
